For All Users: Smartphones, Tablets and Personal Computers

- Register for the group via a provided web link. Valid email address required.
- You will receive a confirmation email. Save this email.
- Find **meeting link in body of confirmation email**.
- When time for scheduled group, click on link.
- For mobile devices (smartphones, tablets), Zoom app should automatically launch.
- For personal computers, web browser should launch.
- If meeting doesn't automatically load, you also can join the group by entering the **Meeting ID and password** when prompted.
- For recurring groups that only require one registration, save your confirmation email. You will use the same link to join any future meetings.

You may join meetings by phone only.

Call one of the listed phone numbers and enter meeting ID and password when instructed.

Smartphones and Tablets: For Android and Apple Devices

Once meeting launches, you will have two options for audio.

1. **Call via Device Audio:** Use your smartphone or tablet mic and speakers.
2. **Dial in:** Screen advances to list of dedicated phone numbers for meeting audio.

If instructed when connecting by phone, enter Meeting ID, Participant ID, and Password.

If you are having trouble with video or audio, make sure both settings are activated.

Swipe your screen left/right for different meeting views.

Personal Computers: For Desktops & Laptops

1. After clicking link in confirmation email, your default web browser should launch. Select “Open Zoom.” If instructed, enter meeting ID and password.
2. To use your computer microphone and speakers, select “Join with Computer Audio.”
3. To use your phone for audio, select the “Phone Call” tab. Dial phone number from list and enter Meeting ID and Participant ID as instructed.
4. If you are having trouble with video or audio, make sure both settings are activated.
